

Weston Sands

Access Statement

Weston Sands is run by its owners who are happy to discuss access needs with potential visitors and to offer help wherever possible. One ground floor apartment (The Mill) has been converted to comply fully with the DDA standards and is ideal for a wheelchair user or other disabled guest. Guide dogs accompanying visually impaired owners are welcome.

The Mill has been successfully converted to offer full wheelchair access. The accommodation has a wide entrance door with a low ramp to the inside. Its large bathroom is fully accessible including non-slip flooring and grab rails. Power switches are higher on the wall throughout and the kitchen is suitably laid out for a wheelchair user. The back door to the outside is wide. The Mill offers one double bedroom and a single sofa bed.

Outside generally is level with a clear path and wheelchair access ramps. Parking spaces are close to the accommodation and one is a designated disabled parking bay with slope leading to footpath. It is well lit at night.

The Grain Store and Sands View

These 3 bedroom two-storey apartments have one downstairs bedroom and toilet. Entrances and showers have steps.

The Wheat House

This 3 bedroom apartment has a step at the front door and two walk-in showers upstairs both with a step. There is a downstairs toilet.

Avon Retreat

There is a steep staircase to the entrance.

Cart Shed

This two-storey accommodation has a twin room and bathroom downstairs and a spiral staircase leading upstairs to a double bedroom.
